

TIMBER TALK

OFFICIAL PUBLICATION OF THE CANADIAN ASSOCIATION OF WOODEN MONEY COLLECTORS

VOLUME 19

ISSUE 7

JULY 1993

EDITOR: Lou Vesh, General Delivery, West Guilford, Ontario, Canada, K0M 2S0

THIS MONTH'S ISSUE could easily be 10 pages, considering all the material that has arrived at your editor's desk recently. It must have been the scream for help last month that did it. The material is gratefully received.

THE NIAGARA FALLS WOODEN MONEY SHOW was its usual success. Many new woods blossomed for the occasion. They will be published as space permits. The magnificent Canadian collection brought up and displayed by Ted Wolverton did not remain in Canada. Although the collection is probably worth the U.S.\$2,000 minimum asking price, there just wasn't that kind of money floating about. Also, many of the collectors in attendance need only a few of the more rare pieces and do not want to be saddled with the entire collection of well over 2000 different Canadian woods. No doubt many were tempted, as was your editor (if I had the bucks, I would have snapped it up), but it just wasn't the time. Next showing: A.N.A. Baltimore, MD.

ALL C.N.A. MONCTON material this issue is courtesy of Geoff Bell. Looks like great things are cooking on the coast. Thanks Geoff.

PLEASE NOTE ADDRESS CHANGES elsewhere in this issue. It seems that Canada Post is phasing out their post box facilities and farming this service out to private enterprise. Retail Postal Outlets (R.P.O.) will be on the rise and there could be an abnormal number of address changes in the next few months.

AUGUST TIMBER TALK will be about a week early. It's either that, or very late. EARLY is the editor's choice in order to hand deliver as many as possible at the C.N.A. and because the alternative would be three weeks *late*. The list of club officers will not be included in August as it would not be accurate anyway. The revised slate will be published in September.

CANADA WIDE WOODS has come up with a unique plan whereby a limited number of wood issues is being made available to collectors. The plan has a limit of 25, however, and at the time of receipt of the C.W.W. letter about 3 weeks ago, there were 13 openings still available. See page 4 for details and page 5 for pictures of the first 20 woods. A great idea and a boon to collectors!

CORRECTION: Les Copan was kind enough to write in and clarify the location of the wood from the Winfield Shopping Centre written up last month. My original source (who will remain anonymous) shall be severely lashed with a wet noodle! The wood does not come from Vancouver as quoted, but from Winfield, B.C., a small town situated in the Okanogan Valley. Les has confirmed this by phoning the number on the wood, and has also written for a wood. Details of his response in a later issue.

MY WOOD TIDBIT.....by Norm Belsten

On behalf of the current executive of C.A.W.M.C. I would like to thank those that took time out to vote for the new slate of officers. As returning officer it was nice to see such a good response in the election, with returned ballots from well over half the membership. It is encouraging to know that there is still a great deal of enthusiasm among the wooden money collectors. The election results will be announced at the C.A.W.M.C. annual meeting held in Moncton, N.B. during the C.N.A. convention at the end of July. I hope that I will see many of you collectors at the meeting. I also extend my thanks to all those who stood for election on the 1993-95 executive. They are willing to give their time and effort to ensure a strong organization for the next 2 years.

FREE WOOD OF THE MONTH

Thanks to Wilf Becker of Stratford for donating 100 woods to Timber Talk. This wood was issued earlier this year during the C.T.C. meeting at Guelph, Ont. The balance will be made up with an old issue from the Calgary Numis. Soc. supporting Canada Coin Week. Woods will be inserted in envelopes at random, so the results will be like a lottery. What you see is what you get.

DUES: Membership dues in the Canadian Association of Wooden Money Collectors is \$10.00 per calendar year and should be forwarded to our Membership Chairman - Ron Zelk at R.P.O. Box 77575, 592 Sheppard Ave. W., Downsview, Ont. Canada, M3H 6A7.

RE: Subscription Service for Woods.

+++++

CANADA WIDE WOODS produce two categories of woods. One we call "OPEN" and the other is classified as "CLOSED". Open refers to orders which have been filled, and the person, advertiser, or club etc. have no reluctance to having an additional 25 pieces issued. Similarly closed refers more to personal issues, or issues which represent some redeemable feature on the wood. These could represent a commitment to the issuer.

CANADA WIDE WOODS will make available to Wooden Money Collectors sets of all issued "OPEN" woods in lots of 20 different pieces for \$15.00 which includes taxes, handling, shipping and a guarantee that all pieces arrive in one piece.

In addition, with each shipment will be a list of addresses for the closed issues. If you are interested in receiving our first 20 "OPEN" woods, please fill in the bottom portion completely as we may be using a courier service and would require an address where a parcel could be left.

I AM INTERESTED IN RECEIVING YOUR FIRST 20 "OPEN" WOODS AND AM ENCLOSING \$15.00 TO COVER THE COST OF THE WOODS, HANDLING AND SHIPPING.
